

UNMATCHED STRENGTH AND STEALTH

When Power and Covertness Matter for Tactical Teams

From the makers of the most powerful cutting and spreading tool, HURST Jaws of Life® now delivers a unique stealth design for tactical and law enforcement teams.

CUT, SPREAD, AND SAVE LIVES WITH...

Stealth

A blackened, non-reflective coating and muted LEDs make this tool ideal for covert tactical operations where discretion and concealment are needed. Remain undetected while unstoppable in any tactical application.

Versatility

It's the all-in-one combi tool for breaching, cutting, spreading metal, and popping doors. With quick-change spreading and breaching tips, users can easily adjust in the field without carrying multiple tools.

Speed

It's lightweight and easy to handle for one-person use when cutting, breaching, spreading, or opening doors. When seconds matter, it's perfect for those who must be ready for anything.

Power

The compact cylinder body houses a bold tool that packs a punch. Cut, spread, and make forcible entry with power and performance.
