

# UNMATCHED STRENGTH AND STEALTH

## When Power and Covertness Matter for Tactical Teams

From the makers of the most powerful cutting and spreading tool, HURST Jaws of Life® now delivers a unique stealth design for tactical and law enforcement teams.

### CUT, SPREAD, AND SAVE LIVES WITH...

#### Stealth

A blackened, non-reflective coating and muted LEDs make this tool ideal for covert tactical operations where discretion and concealment are needed. Remain undetected while unstoppable in any tactical application.

#### Versatility

It's the all-in-one combi tool for breaching, cutting, spreading metal, and popping doors. With quick-change spreading and breaching tips, users can easily adjust in the field without carrying multiple tools.

#### Speed

It's lightweight and easy to handle for one-person use when cutting, breaching, spreading, or opening doors. When seconds matter, it's perfect for those who must be ready for anything.

#### Power

The compact cylinder body houses a bold tool that packs a punch. Cut, spread, and make forcible entry with power and performance.
