

Akron Brass Handline Nozzles Just Got Better

The world's most trusted handline nozzles just got better...better looking, better ergonomic handle and grip designs, better flexibility and a better fit.

Introducing a refresh to the entire family of Akron Brass handline nozzles including Assaults™, Turbojets®, Shutoffs and smooth bore tips.

What's New!

- Improved handle for operational flexibility with extra room for the gloved hand and 1-3/4" hose
- Updated, ergonomic pistol grip for great handling
- Durable patent-pending design for easy "snap-on" grips and handle colors to help identify pre-connects and better manage inventory
- Tough, black nozzle body hard coat for expected performance and quality
- Etched smooth bore tips with pressure and flow indicators for easier training and operations
- Enhanced shutoff ball valve alignment when nozzle is open

Same Great Choices

- Wide-ranging selection of nozzle flow and pressure options
- Nozzle handle and pistol grip color
- Bumper color
- Custom etch
- Custom threads and choice of inlet type
- Full range of certifications
