* To replace flow spacers or labels, contact customer service.

** For other threads, order by description and thread size (ODM and TPI) or by Akron thread code.

*** The bumper is pressed on and timed with the pattern sleeve. It may need to be returned to the factory for proper assembly.

† As required

†† For items 25, 26, 30, 38, 105 order stem sub assembly 124190

+ Part of item 1 (swivel subassembly)

++ Parts included with 9179 service kit
