

## NEW PRODUCT

08/22/08

**PRODUCT NAME: Occupant Restraint Indicator**

**AKRON PART NUMBER: 6204-0000-00**

**PRODUCT DESCRIPTION:**

Akron Brass, via their Columbus, OH facility, introduces the Occupant Restraint Indicator module. Designed to alert the driver and officer, the module will indicate where safety restraints of occupied seats are properly fastened keeping personnel safe. The new Akron Occupant Restraint Indicator is NFPA 1901-2009 compliant.

**FEATURES**

- Low profile, compact size fits in space equivalent to three standard rocker switches (2" x 3")
- Supports commercial and custom cab seating layouts; up to 12 seats
- Dimming feature adjusts indicator intensity to synchronize with dash lights
- Built-in audible alarm is activated when seat indicator is red and park brake is released
- Integral Deutsch DTM connector
- Standard 4 year warranty
- Is compatible for use in conjunction with Akron Brass Model 6444-0000-00 Vehicle Data Recorder (VDR)

**LIST PRICE (US Dollars, FOB Columbus, OH, USA)**
