

PORTABLE HYDRAULIC POWER

If you're a law enforcement officer, you can now prepare yourself properly. The StrongArm™ from Hurst Tactical is providing you a lightweight, portable hydraulic tool that has the versatility to be used in any way the mission or call dictates. With this tool you can effortlessly pry open most doors; cut through rebar, chains, and security bars with ease; break open or cut locks; even open car doors if needed. Don't get caught without your StrongArm™ as the life you save may be your own.

FEATURES AND BENEFITS

- Designed to operate in heat and smoke environments
- Built in Picatinny accessory rail
(Note: Flashlight not included with standard equipment.)
- Four position handle
