

**Section 4.4**

**Pressure Versus Flow Rate**

**General data**

|                                  |                     |
|----------------------------------|---------------------|
| Manufacturer                     | Akron Brass Company |
| Model                            | 3526 Omega Monitor  |
| Maximum flow rate (g/min, L/min) | 1250, 4800          |

**Pressure Differential Chart**
