Direct light evenly across your entire scene with the Revel's enhanced pattern design.

- Combination spot/flood optics
- True surface mount
- Push button swivel for simplified, efficient operation
- IP 68 rated

#### Powerful Performance

##### Optic superiority

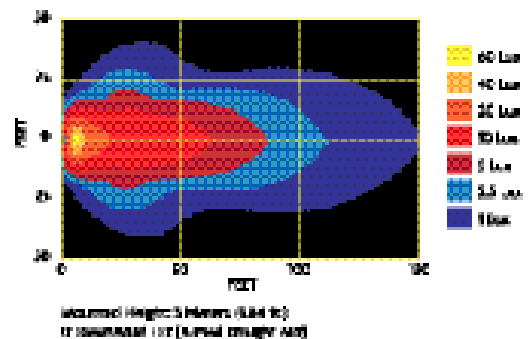

Bursting with 14,000 lumens, the Revel is all you need to light your entire scene. The patent-pending combination of spot and flood performance increases your overall scene visibility when lighting your exterior spaces such as vehicles, structures, parking lots and overhead hazards.

##### Flexible mounting options

Available as a true surface mount, the Revel can be easily installed in any location on your truck. Other vehicle mounted configurations include: brow, swivel base, pedestal, push-up, pull-up, air operated, and manual mast.

##### Simplified operation

The unique, push button swivel makes adjusting and redirecting your light simple with a gloved hand.
