Vista IV OS Update
Version 1.04
Release Date: 05/03/2012

</div>

Changes in this update:

1. New Feature:
    a) Touch screen functions can now be disabled on a Touch with Buttons Vista IV by compiling it as a "Standard" (buttons only) Vista IV
    b) Added the ability to trigger a Command Set from an Events and Countdown Timers

2. Code Correction:
    a) Fixed bug Executing >= 20 startup command set items
